

## FROM THE PRINCIPAL

Dear members of the Lisieux community,

Our final week of Term Two has been full of fun! Wednesday was a highlight with our first Pyjama Day, which included a sausage sizzle and movie. Staff and students alike dressed in fleecy PJ's, slippers and dressing gowns and in the afternoon we shared some of the first semester's highlights in an assembly.

It was wonderful to have Jack Moroney as our first work experience student this week. Jack is the older brother of India in Carmel D. His enthusiasm and willingness to give everything a go was greatly appreciated by all. The students loved having him join in with lunchtime footy and he initiated other outdoor games. Watching 46 students play Hide and Seek with Jack at lunchtime was quite hilarious. Thank you, Jack, and best wishes for the future.

Progress is now very visible on our main building and when staff toured the facility on Tuesday afternoon, we shared a great sense of excitement about how it is shaping up. No doubt we will see big changes by the time school resumes in Term Three.

Reports were issued yesterday for all Lisieux students. I trust that you will find this information useful as an insight into your child's education, keeping in mind that this is a snapshot of one aspect of your child's broader growth and development. We are certainly very proud of each and every member of our school community, each of whom has grown in confidence and character throughout the first two terms of 2018. At any time, parents / carers are encouraged to discuss learning progress and outcomes with your child's teacher.

I'd like to take this opportunity to thank family members and all supporters of our learning community. Whether it is in offering to help supply or make things for our Outdoor Discovery Centre, assistance with daily reading, coming along to an assembly, participating as a member of the Advisory Council or Parents and Friends Committee, your generous involvement is greatly appreciated.

**School will resume for students on Tuesday 17 July.** I hope the next fortnight provides an opportunity for some rest and renewal for all students, staff and family members. Next term we will welcome three new students and our numbers will swell to 49!

Until then, God's blessings for a wonderful holiday break,

Susan Ryan

*CCS is coming! Upcoming Changes to Your Government Subsidy today to receive the appropriate subsidy!*

Did you know that from **Monday the 2<sup>nd</sup> of July** the current fee assistance from the Government, CCR and CCB, will be replaced with a single **Child Care Subsidy (CCS)**. Great news is this new subsidy will be available to all families using Camp Australia services!

CCS will affect the amount of fee assistance that each family will receive. A few things that will determine a family's level of Child Care Subsidy are:

- Annual income will determine the percentage of subsidy a family is eligible for,
- An activity test will determine how many hours of subsidised care families can access, and
- The type of child care service will determine the hourly rate cap

To make sure you are ready for launch of CCS, you must enroll on the MyGov website: <https://my.gov.au/> and confirm your personal details. This will help determine how much assistance you will received.

Due to CCS being brand new, **your details will not automatically rollover** from previous years, to prevent any complications please resubmit your enrolment otherwise you may not receive any subsidy until you do so.

You can find more information about how to prepare for the subsidy by visiting <https://www.education.gov.au/ChildCarePackage>.

Thanks so much for your time and we look forward to seeing you in our next service,

Camp Australia
