

FROM THE PRINCIPAL

Dear members of the Lisieux community,

It was wonderful to welcome our newest cohort of 2019 students to Lisieux on Wednesday for their first Orientation Session. What an amazing bunch of young people they are, with lots of energy to learn. At the same time, our current students enjoyed a stimulating excursion to Narana where they learned about indigenous traditions and artwork.

I wish to share some **staffing updates** with you this week. As a result of our strategic planning, we have been inspired to introduce a new role for 2019, a position which will further facilitate the learning and growth of our educators and students within the school community. The role has been titled Curriculum and Pedagogy Support Leader and I am pleased to announce that Mr Gerard Douglas has been appointed to the role. Gerard's responsibilities will include leading professional inquiry into rich educational practice, supporting and mentoring graduate teachers, and building educators' capacity to differentiate instruction to meet identified student needs. Gerard will also have a teaching role, supporting learning in all classes across the school. As a result of this appointment, Miss Jessie MacKinnon will become the class teacher in Carmel Red. Furthermore, we have advertised for a part time Library/Junior School Support Teacher and a part time Learning Support Officer. All appointments should be finalised within the next three weeks and I will keep you informed of progress.

The growth of our staff team requires that we allocate appropriate time to formation of staff, curriculum and pedagogical planning. Consequently, we have decided that **the starting date for all students at Lisieux in 2019 will be Monday 4 February**. This will allow our team of 16 staff (we will double in number!) time to celebrate mass together, engage in a day of team formation, and to establish key priorities and goals for the year ahead. This is vitally important to support professional development and preparation. We have been lucky to have built a strong team this year, and our priority now is to maintain that momentum and further enrich the culture of our school as an innovative environment that challenges, stimulates and celebrates learning. A full published calendar will be distributed for all families on our Transition Morning, Tuesday 11 December. On this day, all new and current families are warmly invited to attend an information session for parents at 9:30am in the new multi-purpose area.

FROM THE PRINCIPAL

I hope you have the weekend of November 30-December 2 clearly marked in your diaries. Included in this newsletter edition is an update of those who have signed up to assist with our **Bunnings Sausage Sizzle** and / or our **Art Show**. We would love a few more helpers if you are in a position to help. Both events are fundraisers to support our community. One of the items on our 'wish list' is engineered basketball rings for our court, which are the type acceptable for safe use in schools. We need approximately \$20,000 so let's see how far we can go towards that target. Come along to our Gala Opening on Friday night, have a champagne or two, make some bids on beautiful art, and enjoy live music and the company of our wonderful community. The Art Show will continue on Saturday 1 and Sunday 2 December between 2-4pm.

God's blessings for the week ahead,

Susan Ryan

PRAYER

Prayer of Thanksgiving to a Creator God (inspired by Genesis 1)

Creator God,

As we are made in Your image,
we give You thanks for the seed of creativity
You planted within each person.
We praise the clean lines of the sculpture,
the complexity of the concerto,
the beauty of the poet's words.

Grant us, we pray,
the capacity to appreciate creativity where we don't
always notice it: the perfectly clean and useful lines of
a row of coat hangers, say, or the complexity of a
computer that crashes (some days)
but most days does not,
or the beauty in a text message carrying everyday news.

Forgive, us we pray,
for those times we have squandered with aimless
disregard
our capacity to create,
and for those times we have used our creativity
as a force for destruction rather than reparation.

Help us truly to live in appreciative awe of the
creativity that you have planted within.
Give us the patience and courage to nourish that
creativity, and the strength and persistence to express it.
In Your name we pray,
Amen

Lisieux Community, one of our new families is moving from Anglesea to Torquay for 2019 and need to find a rental while their house is being built. Ideally they are looking at any time from January onwards, until August (Sept worst case).

They are a family of 2 professional adults and 2 children (ages 12 & 10) and are happy to care for the garden & pet sit. They have a very quiet & well behaved dog.
The family are happy pay rent & provide references.

What we have been doing in Outside School Hours Care?

We have now passed the half way mark of Term 4, and we thought it would be the perfect time to share what we have been doing at Lisieux catholic primary school OSHC as we begin to plan the rest of Terms activities.

We have had heaps of fun this term including activities like origami, different board games, group indoor and outdoor games like lava monsters, fruit salad, musical statues, and different craft activities like knitting, Constructive play and Christmas theme activities in upcoming weeks

But as always there was also plenty of quiet time for homework, relaxation and reading.

Meet the Team

We're here to make OSHC the best experience possible for your children. If you have any questions about the program, feel free to drop by, meet the team and see what happens first hand.

To find out more about our program, view our fees and to register, visit www.campaustalia.com.au and Search for your school. It's free to register!

We look forward to seeing you and your family soon,
From the Team at Camp Australia
